

LUNCH & LINGUISTICS

We are happy to invite you to an informal and friendly space for researchers (from advanced Master and PhD students to Post-Docs) where you can present and discuss your research projects, as well as network with researchers coming from different linguistics fields!

Lunch & Linguistics is the perfect place to get feedback on your current work, brain storm on new project or even do a dry run for any other presentation in a safe and convivial environment. Presentations and discussions are preceded by a mindful lunch break together, to get to know each other in a relaxed moment.

Lunch & Linguistics will take place during the semester on Tuesdays from 12:30 to 13:30 at Meister-Ekkehart-Str. 7, 2nd floor, left.
