

The **6th Indo-European Research Colloquium** will be held in Cologne on 30 - 31 March 2020. We invite young researchers from the field of Indo-European studies, both PhD students and recent post-docs, to submit papers for presentation.

Abstracts no longer than 700 words should be sent via email to IERC-conference(at)uni-koeln.de by 1 August 2019; both abstracts and presentations will be accepted in the major languages of the field (English, German, French, Italian). The results of the review process will be announced shortly afterwards. Presentations will consist of 20 minutes of speaking time followed by 10 minutes of discussion.

The conference The Sound of Indo-European 4 will take place immediately following the Research Colloquium, 1-3 April 2020. We encourage presenters and attendees to stay in Cologne for the duration of this event as well. Participation for both events will be free. If you want to participate without presenting, please take the time to register with us nonetheless, preferably by January 2020.
